

Basic Safety Guidelines

- Safety first. Do not put yourself or others into potentially hazardous situations.
- Work in pairs when working in/near the street or around water. One person spots oncoming vehicles.
- Always stay out of the way of traffic and wear bright colored clothes and an orange safety vest so that you will be more visible to motorists.
- Wear appropriate clothing (no very short or cut-off shorts, mid-riff tops, or clothes with inappropriate advertisements/pictures). This is a great time to advertise your organization or group, so do wear t-shirts, etc that support your organization. **CLOSED TOED SHOES ARE MANDATORY!**
- If you don't feel safe, don't do it!
- Don't pick up birds or other dead animals.
- Leave garbage bags on or by the nearest trash cans.
- Call Work Management at x4626 if you encounter raccoons, opossum or vandalism.
- Be aware of bees!
- Remember to drink water!
